

Support Services

Warranty Requirements- Our services meet or exceed your vehicle warranty requirements on scheduled fluid maintenance. No need to leave your car at the shop. Just bring your car to Speedy Oil, there's no appointment necessary.

Service History- Computer Records of all services performed are available at the touch of a button. That's Important for warranty requirements and scheduled maintenance intervals, providing service records for individual components on your vehicle such as engine oil, transmissions, differentials, etc...

Free Check and Fill- Speedy Oil provides free check and fill on any fluids you may need between scheduled services. Simply pull in and we will check and fill any low items under the hood.

Fleet Services- Keep your company vehicles working hard for you by providing regular service. Five or more vehicles entitles your company to discount rates and monthly billing. Your vehicle is tracked by it's tag number and purchase orders are optional. Computerized service history is available any time at no additional charge.

Reminder Cards - Reminder courtesy cards are generated to remind you to check the last service date on your vehicle. The notice provides the last mileage when the service was performed and tries to estimate 90 days since your last visit.
